I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: I use nautal hormones, wital
is not available here, it is very
important I'm able to get my prescriptions
as the other hormones pills don't work for
my body.
